DINNER

Served 5pm-9pm

SOURDOUGH PIZZA

Our dough is made in-house from scratch using organic flour and leavened without yeast but using a natural starter for a minimum of 24 hours, giving it extra flavour and meaning it's good for the stomach as well as the soul. Pizzas are then baked quickly in a 500 degree oven which means they come out crispy on the outside and soft in the middle, with a perfect crust for dipping.
